complex and often confusing world of enochian magick aaron leitch has accomplished the seemingly impossible by bringing clarity and precision while never oversimplifying or speaking down to the reader donald michael kraig author of modern magick an indispensable addition to any enochian magician s bookshelf frater yechidah author of enochian magic in theory

translated from a 17th century manuscript stored in paris this is an ancient but still useful book of popularized christian magic it is illustrated with intricate sigils

what is a grimoire the word has a familiar ring to many people particularly as a consequence of such popular television dramas as buffy the vampire slayer and charmed but few people are sure exactly what it means put simply grimoires are books of spells that were first recorded in the ancient middle east and which have developed and spread across much of the western hemisphere and beyond over the ensuing millennia at their most benign they contain charms and remedies for natural and supernatural ailments and advice on contacting spirits to help find treasures and protect from evil but at their most sinister they provide instructions on how to manipulate people for corrupt purposes and worst of all to call up and make a pact with the devil both types have proven remarkably resilient and adaptable and retain much of their relevance and fascination to this day but the grimoire represents much more than just magic to understand the history of grimoires is to understand the spread of christianity the development of early science the cultural influence of the print revolution the growth of literacy the impact of colonialism and the expansion of western cultures across the oceans as this book richly demonstrates the history of grimoires illuminates many of the most important developments in european history over the last two thousand years
